WELCOME

Welcome to the North Central Highland Cattle Association Regional Show, being held today at the Mower County Fairgrounds in Austin, MN. Today you will be watching a very unique breed of cattle known for their rugged characteristics, longevity, as well as being wonderful mothers.

Highlands have the ability to produce the type of beef that is in demand for today's market in an efficient manner with respect to the rising cost of inputs. The beef is lean, but well-marbled and flavorful with little outside fat waste (they develop little back fat as their double coat serves to keep them warm). Highlands are the beef animal of choice by the British Royal Family who keeps a large herd of Highlands at Balmoral Castle in Scotland.

Our show today is an American Highland Cattle Association (AHCA) sanctioned super point show (double points). All sanctioned shows must abide by the same rules and class divisions established by the American Highland Cattle Association. The animals must be purebred Highlands, unaltered (they must have their horns) and be registered with the American Highland Cattle Association. Placement in each class earns points for the animal for each show in which they participate. These points are tallied by AHCA at the end of the show season, and awards presented to the top animals at the national show held each year.

Please feel free to visit with any of our exhibitors to learn more about the breed or to ask any questions that you may have. If you are interested in purchasing cattle, many of the exhibitors may have animals for sale. All sales would be private treaty, made solely between the buyer and seller, and would have no connection to the North Central Highland Cattle Regional Show.

Please visit our North Central Highland Cattle Association display to pick up our member contact list and basic Highland information. Don't forget your 2025 Highland Calendar for yourself and pick a few up for gifts. They are available for \$20 each at the show (\$28.50 if they are shipped to you).

We are glad to have you at our show and hope a good day will be enjoyed by all! Thank you for coming and hope to see you at our show next year!
