President's Message – *Larry Sassen, President*

Visiting with our NCHCA members of this year, I have heard the gambit of weathers stories, from a great warm dry spring with early planting to some who struggled with cold and wet conditions causing weeks of delays. Harvesting crops from hay to grains followed a course caused by low growing degree days, dry and or wet conditions causing delayed harvests. My hope is that everyone got all the feed stock needed for their fold for this coming feeding season despite the weather.

On the bright side NCHCA could not have asked for a better start to our summer activities than our Production Sale in June which was a greatly appreciated success. Great activities did not end there as it was followed by Wisconsin Farm Technology days, county fairs, state fairs, World Beef Expo, Scottish Fairs and with our Show in Austin where members enjoyed their own successes.

A group of our members recently had an enjoyable Saturday working through a rainy morning into a cool still cloudy afternoon helping a fellow member get ready for winter by fences, cleaning the feeding and sharing a meal.

As your president I will be missing two of my most dependable hard working, long time office holders that have asked to have replacements found. Billy Johnston and Jan Larson have served the NCHCA in many ways and need to reduce the load they carry for us, allowing them help in other activities coming up for the NCHCA.

Thank you, Jan and Billy, may fair skies and following winds be with you.

Larry Sassen

MISSION STATEMENT: North Central Highland Cattle Association shall protect the integrity and sustainability of the Highland breed by promoting education and social interactions of its members.

Hey All,

It's that time of year again! Here is the official invitation for the entire membership to our annual meeting on February 3 and 4, 2018 at the

HOLIDAY INN

4751 Owen Ayres Court, Eau Claire, WI 54701

1-715-830-9889

It's a new hotel, but we are able to hold the meeting fee to \$35 per person so it's still a great price and a great chance to see some old friends, as well as make some new ones. We have added a whole lot of new breeders to our membership list this year and here is your chance to get together and visit.

Call the hotel to reserve your room and mention that you are with the North Central Highland Cattle Association to get a discounted room rate starting at \$82 per night. Then, **please download the registration form off the NCHCA website, www.nchca.org**, and you can either use PayPal, through our website, or send a check made out to NCHCA to Jan Larson at the address below

NCHCA Secretary

8968 Fishman Road, Burlington, WI 53105

1-262-539-3257

February 3, 2018

12:00 p.m. – 1:00 p.m. – Registration

1:00 p.m. – 5:00 p.m. – Business Meeting

6:00 p.m. – Dinner & NCHCA Juniors' Auction

Please bring an auction item to help the Juniors raise money to support all of their yearly educational activities and events. Items should be appropriate for a silent auction.

February 4, 2018

8:30 a.m. – 11:30 a.m. – Highlands and Nutrition with Dr. Anne Proctor

A Highland enthusiast, Anne holds a Ph.D. in Animal Nutrition. She will be discussing the ins and outs of some of the most frequently asked questions regarding the nutritional side of managing your Highland Fold.

Looking forward to seeing some old friends, and the opportunity to meet some new ones. Please come and join us.

Thank you.

Jan

NCHCA Seeks Treasurer

It is with great regret that the NCHCA board has accepted the resignation of our Treasurer Billy Johnston who will be stepping down February 4, 2018 at our Annual Meeting in Eau Claire, Wis. We would like to take this opportunity to thank him for all his hard work the past several years as our NCHCA Treasurer. Billy has done a wonderful job keeping our books in order, and guiding our board and members through many financial discussions and decisions. He has helped out so many members and has always been willing to jump in with a helping hand whenever he has been asked. His experience, diligence, dedication and enthusiasm have been invaluable to our association and we wish him well, but we still expect to see him at all our future functions.

This however, opens up a new opportunity for one of our members. The NCHCA is now looking for a member to fill our Treasurer position. If you are experienced, and/or willing to learn, and would like to become more involved in our association, we have just the spot for you. Contact any member of the NCHCA Board (their names, numbers, and emails are listed on the front page of the Hoofbeat) or the NCHCA Secretary and let us know.

A Special Heartfelt Thanks to...

Richard and Jean Gruenert, Larry Sassen, Josh Krenz, Mark Schulz, Roger, Cindy and Ryan Wiedeman, Mark and Randi Johnson, Billy Johnston, my neighbor Wade Schumann, & my son Tom and his friend Travis for helping us on Saturday, October 21st. We were so fortunate to have everyone come and help us with our fence project.

We could not believe all the people that came to help us and I had no idea they were coming. There were 14 people helping us with our fences, cleaning pens, spreading manure and other chores. Everyday I count my blessings and thank God that he has blessed me with such a wonderful life.

Dan Stewart

Highland Cattle Production Sale

Sebastien LACHAL – Hunt-Carm Fold, France

North Central
Highland Cattle
ASSOCIATION

**Saturday,
June 23, 2018**

Burlington, Wisconsin
Bid Online or In-person

- Selling Quality Registered & Unregistered Bulls, Highland Heifers, Bred Females, Cow/Calf Pairs and more.
- Held in conjunction with the 2018 AHCA Annual Convention at Cobblestone Farm and Four T Acres on June 22 & 23.
- See all the cattle lots and more information at HighlandSale.org

262-539-3257 | HighlandSale.org

**The 2018
NCHCA
Calendar
is available
to order!**

Support our Association by purchasing calendars. Another great job of putting together fine examples of the breed and featuring member farms. **These make great gifts!**

***Start getting your photos ready for the 2019 calendar.**

AHCA Director Report *By Jamie Schulz*

This AHCA Directors report is hot off the press, since the quarterly board of directors meeting was just held last night. The Highland Beef Marketing committee has been working hard on a few things. I hope you all saw that they changed one of the requirements for the Quality Highland Beef (QHB) program. They used to have a requirement that the carcass hung for a minimum 14 days. Those of us that use smaller processors are often lucky to get 10 days, so we couldn't meet those requirements. They changed this to 10 days at the previous meeting, and I believe everything has been updated to reflect this change. If you haven't checked out the program recently, check out the QHB link on the AHCA webpage highlandcattleusa.org. The marketing committee is also working on developing some materials that can be individualized for your farm to use when promoting your beef. Look for something to come out over this winter.

The show committee has been working hard to clean up some loose ends, like becoming member of the IAFE (International Association of Fairs and Expositions) so that we can legally use their rules to guide how our shows are run. We have been referring to them, but we recently became aware that to do so we needed to be members of the organization. The committee is also working on the 2018 ROE (Roll of Excellence) rules and coming up with a plan to notify show managers of the changes for the upcoming year. Last year some changes were made but many people did see the changes until someone alerted them to the fact at

the show. The committee will be working on putting together a survey to send out to the membership later next year to gather people's opinions on how animals are presented at shows. The outcome of this survey is yet to be determined. Overall, a small percentage of our membership shows their cattle, but shows are one of the biggest avenues in many areas for promoting the breed and they benefit all highland owners by making others aware of the breed and their attributes. If you haven't been to a show yourself, I highly recommend that you attend one. It is a great place to talk with other breeders and see animals.

The Bagpipe has a new Associate Director. She is going to be focusing on educational articles. Regional news will no longer be a section that is included in the publication. But they gladly accept submissions from members. If you have an idea to share feel free to write a short article about it and send it in.

There are now "Sovereign Steers" that can be registered. In the past you could register a crossbred steer or heifer, but it was not considered a Sovereign. There is a "Sovereign Registry" link on the AHCA site if you want more information on this topic.

The next meeting is in Denver at the national show. If you have any questions or concerns about anything that you would like me to bring forward, please let me know. You can always call me at 507-481-7368 or email at jamie@flatlandfarm.com.

Why Do We Raise Highland Cattle

- Because they are pretty?
- Because they can thrive where other cattle cannot?
- Because they do not need antibiotics to stay healthy?
- Because they produce lean, tasty beef?

Perhaps, all of the above.

There is more than one reason to raise Highland cattle. We all have our reasons. However, they are still beef cattle. Even though it is said they will thrive where most cattle will not, when we put up fences to keep them in, we have a responsibility to make sure they have adequate nutrition, whether they are calves, heifers or lactating cows. All ages have different needs.

Most health problems can be prevented with proper nutrition, keeping things clean and preventing exposure to contagious diseases. Keep a close watch all year. Every season may stress cattle in different ways. Pest control and heat stress in the summer. They are winter hardy, cold does not seem to bother them but they still need a place to get out of the wind. A cow needs extra roughage to keep warm in winter or body fat will be depleted to create energy to keep warm. More grass hay keeps her warm; digestion and breakdown of cellulose create heat energy. If a cow is cold she will do better if given all the roughage she can eat and a little alfalfa or protein supplement. The colder it is, the more grass hay she will eat. The bull may need more attention in the winter so he is in good physical condition for the breeding season.

The Highland cow has an adequate coat of winter hair. They will do well in cold temperatures. But they do need more energy as the temperature drops. More energy to keep warm during cold weather, increase the feed 1% for each degree of temperature drop below 20 degrees. For instance, if the temperature drops below zero the requirements increase about 20%.

Healthy cattle are bright and alert, have a good appetite and graze along with the rest. Observe your cattle daily. Go out and walk amongst them so they get use to you. They will be easier to handle when you want to move them from one place to another. They think of you as one of the herd. Cattle have a pecking order. Let them know that you are the boss.

Learn more about Highland Cattle Nutrition at the NCHCA Annual Meeting on February 3 and 4. Dr. Anne Proctor, Highland enthusiast and animal nutritionist will be discussing more in-depth about the nutritional needs of Highland Cattle.

Happy Highlanding

North Central Highland Cattle Junior Association

The North Central Juniors had a very successful weekend at the NCHCA 2017 Regional Show in Austin Minnesota. The junior show attracted 14 juniors, who exhibited a total of 14 heifers, one sovereign heifer, and six market heifers. This year's Junior of the Year Award was presented to Brandon Volstad, who was nominated by Heather Bailey. In addition to the Junior Show, many juniors took part in activities on Friday night, showed animals in the open show, and had fun dressing up in the annual costume class, which is always a crowd favorite! Following the conclusion of the show on Saturday, we held elections for officers for the 2017-2018 year. Our elected officers are Paige Proctor as president, Maryn Cowell as vice president, Courtney Hudson as secretary, and Brandon Volstad as treasurer. We also have many outstanding juniors who have volunteered to be reporters, and will be writing articles and submitting updates throughout the upcoming year. These juniors include Maryn, Courtney, Brooklyn, and Taylor, however all juniors are encouraged to submit photos, stories, and updates. We would love to see what you are up to with your highlands!

We are looking forward to the upcoming year and have many fun ideas in the works. Thank you to all of the generous supporters of the junior program, we greatly appreciate your contributions!

The North Central Highland Cattle Association (NCHCA) was formed in 1982 to promote Scottish Highland Cattle, form a marketing unit for breeders, and to provide a local organization closer to home. The organization has done this and provides opportunities for youth and families to have fun with their Highland cattle. Our association provides networking and educational opportunities for its members, has an active junior program for youth, and provides a local voice to the national organization, the American Highland Cattle Association.
