

World Beef Expo 2020

World Beef Expo was held on Sept 25-27, 2020 at Wisconsin State Fair Park in West Allis, Wisconsin. There were 4 farms and 12 animals total in the show. Due to the higher registration fees because of extra expenses brought on by COVID-19, and Milwaukee being a hotspot of the disease in Wisconsin at that time, attendance was significantly down this year. Mid-Lakes Highlands from New York, Snowland Livestock from Upper Michigan, Four T Acres and Cheesehead Highlands from Wisconsin were represented.

Premier Breeder was Ledyard Farms and Premier Exhibitor was Mid-Lakes Highlands
