**Average Male Price: \$4,084**

The quality and demand for Highland Cattle drove record prices in many categories. Thank you to all of the consignors for consigning the great quality of animals. A special thank you to all of the bidders. The NCHCA gives all buyers, who are not current NCHCA members, a free year of membership. We welcome all the new members to NCHCA and congratulate them on their purchase.

As we plan for 2023, the Sale Committee welcomes your comments and suggestions. Please reach out to any member of the Sale Committee to express your input. The 2023 sale will be on June 3, 2023.
