

2020 Regional Highland Cattle Show

Saturday, September 19, 2020

Mower County Fairgrounds • 700 12th Street SW • Austin, MN 55912

Welcome!

Welcome to the North Central Highland Cattle Association Regional Show, being held today at the Mower County Fairgrounds in Austin, MN. Today you will be watching a very unique breed of cattle known for their rugged characteristics, longevity, as well as being wonderful mothers. Highlands have the ability to produce the type of beef that is in demand for today's market in an efficient manner with respect to the rising cost of inputs. The beef is lean, but well-marbled and flavorful with little outside fat waste (they develop little back fat as their double coat serves to keep them warm). Highlands are the beef animal of choice by the British Royal Family who keeps a large herd of Highlands at Balmoral Castle in Scotland.

Our show today is an American Highland Cattle Association (AHCA) sanctioned super point show (double points). All sanctioned shows must abide by the same rules and class divisions established by the American Highland Cattle Association. The animals must be purebred Highlands, unaltered (they must have their horns) and be registered with the American Highland Cattle Association. Placement in each class earns points for the animal for each show in which they participate. These points are tallied by AHCA at the end of the show season, and awards presented to the top animals at the annual membership meeting held each year.

Please feel free to visit with any of our exhibitors to learn more about the breed or to ask any questions that you may have. If you are interested in purchasing cattle, many of the exhibitors may have animals for sale. All sales would be private treaty, made solely between the buyer and seller, and would have no connection to the North Central Highland Cattle Regional Show.

Remember to visit The Lunchbox located at the main entrance to the show arena and enjoy a tasty meal. Also visit our North Central Highland Cattle Association display to pick up our member contact list and basic Highland information. Don't forget you're 2021 Highland Calendar for yourself and pick a few up for gifts. They are available for \$15 each at the show (\$20 if they are shipped to you).

We are glad to have you at our show and hope a good day will be enjoyed by all! Thank you for coming and hope to see you at our show next year!

Show Judges

Mark Schoenfeld - Jr. Show & Jr. Market Animal Judge

Mark Schoenfeld and his wife Kami live near Dawson, MN and have two children Colton and Braxton. They have a diversified livestock enterprise raising Simmental cattle and white face and speckle face club lambs. Their cow herd consists of 50 cows and the sheep flock has 50 mature white and speckle face ewes. They exhibit livestock in state and regional shows and sell cattle and lambs all over the midwest. Mark also works as a grain buyer for Cargill, Inc. and his wife works as a farm business management instructor.

Vicky Wilmes and Jim Kukacka - Showmanship, Open Show & Open Market Judges

Jim Kukacka and Vicky Wilmes, own and operate Koz-E Acres, a purebred Simmental Breeder in Le Sueur, MN. Vicky grew up raising Simmentals and Jim grew up with Herefords, after meeting 8 years ago; Jim still likes the Herefords but has grown to love the Simmentals. Jim is a truck driver

for G&H Ready Mix and Vicky is a Supply Chain Manager for Bimeda Animal Health. Jim and Vicky spend their summers mentoring 4-H youth interested in the Beef Project, showing their own cattle at open shows, marketing heifers in the fall with an online sale and the bulls are sold privately or at the Sioux Empire Farm Show. One thing that holds true in their operation, they focus on high quality, sound, docile and productive Simmental cattle.
