**Saturday, September 18, 2021**

**Mower County Fairgrounds • 700 12th Street SW • Austin, MN 55912**

# NCHCA Pays Tribute to Roger Weideman and David Larson

*This year's show is dedicated in their memory*

## Roger Weideman

Roger was an active member of the American Highland Cattle Association, serving on their board for many years. He was a long-time member of the North Central Highland Cattle Association and the WI Cattlemen's Association. He and his wife Cindy were inducted into the American Highland Cattle Association Hall of Fame in January of 2020. Roger and Cindy enjoyed traveling all over the country for conventions and shows and made many wonderful lifelong friends.

Roger loved his wife, Cindy; his children, Jessica (Scott) Rose and Ryan Weideman; three grandchildren, Wyatt, Madison, and Peyton Rose.

## David J. Larson

David, his wife Janet, sons Marshall (Rachelle), Nate and Tucker (Whitney) have been long time members of AHCA and the NCHCA.

David loved attending shows and was always there with a friendly smile and a hello. His hearty laugh is easily remembered.

David was born to be a farmer. His whole life was spent helping various farmers. From helping his grandfather and a neighborhood farmer to owning his own cattle. As a teenager, his first jobs were on farms as well. His heart has always been in farming. David was a kind and friendly guy. He was always willing to lend a helping hand to his sister and brothers, nieces and nephews, and many friends. He enjoyed hunting with his boys and brothers. He loved being Papa to his granddaughter Sophia. He thoroughly enjoyed his time spent with her. They truly had a special bond.

# Welcome!

*Welcome to the North Central Highland Cattle Association Regional Show, being held today at the Mower County Fairgrounds in Austin, MN. Today you will be watching a very unique breed of cattle known for their rugged characteristics, longevity, as well as being wonderful mothers. Highlands have the ability to produce the type of beef that is in demand for today's market in an efficient manner with respect to the rising cost of inputs. The beef is lean, but well-marbled and flavorful with little outside fat waste (they develop little back fat as their double coat serves to keep them warm). Highlands are the beef animal of choice by the British Royal Family who keeps a large herd of Highlands at Balmoral Castle in Scotland.*

*Our show today is an American Highland Cattle Association (AHCA) sanctioned super point show (double points). All sanctioned shows must abide by the same rules and class divisions established by the American Highland Cattle Association. The animals must be purebred Highlands, unaltered (they must have their horns) and be registered with the American Highland Cattle Association. Placement in each class earns points for the animal for each show in which they participate. These points are tallied by AHCA at the end of the show season, and awards presented to the top animals at the annual membership meeting held each year.*

*Please feel free to visit with any of our exhibitors to learn more about the breed or to ask any questions that you may have. If you are interested in purchasing cattle, many of the exhibitors may have animals for sale. All sales would be private treaty, made solely between the buyer and seller, and would have no connection to the North Central Highland Cattle Regional Show.*

*Please visit our North Central Highland Cattle Association display to pick up our member contact list and basic Highland information. Don't forget your 2022 Highland Calendar for yourself and pick a few up for gifts. They are available for \$15 each at the show (\$20 if they are shipped to you).*

*We are glad to have you at our show and hope a good day will be enjoyed by all! Thank you for coming and hope to see you at our show next year!*

## ***Show Judges***

### **Mike Schmidt – Junior and Showmanship Judge**

Mike Schmidt is a Simmental & SimAngus producer from Gaylord, MN and is part of Double E Cattle Company. He resides in Sibley County with his wife Jacquelyn and their two daughters Marie (4) and Addison (2) who are very involved in the operation. Double E Cattle Company was started by his parents Ed and Ethanie Schmidt in 1977 and over the years have raised Simmental, Charolais, and Red Angus genetics. Double E is focused on producing structurally correct, profit driven seedstock that perform for their various customers while still maintaining sufficient phenotype to enter the showring when called upon. Mike grew up actively showing beef and market lambs at the State and National levels and was a member of the National Junior Board for the Charolais breed. Mike recently completed a 3 year term as President of the Minnesota Simmental Association (MSA) which is by far one of the most active and engaged state associations in the Simmental breed. He is a graduate of South Dakota State University and currently serves as the Quality Assurance Manager for Balchem Inc in Sleepy Eye, MN. Mike enjoys evaluating livestock, interacting with exhibitors and learning from other individuals passionate about the livestock industry.

### **Chris Polzin – Open Show Judge**

Chris Polzin along with his wife, Leslie Polzin own and operate Polzin Cattle, Polzin Boer Goats, and Polzin Embryo Center in Darwin, MN. Our three children Brooke, Desirae, and Colton are actively involved in the day to day operations and enjoy showing livestock as well. Chris was on the University of Minnesota Livestock Judging Team and has judged several breed shows throughout North America. Chris also enjoys working with youth as way to give back whether its evaluating shows, coaching a judging team, or loading a up a trailer of kids to go show livestock. I look forward to the opportunity of being involved with your upcoming show.
