

2022 Regional Highland Cattle Show

Saturday, September 17, 2022

Mower County Fairgrounds • 700 12th Street SW • Austin, MN 55912

Welcome!

Welcome to the North Central Highland Cattle Association Regional Show, being held today at the Mower County Fairgrounds in Austin, MN. Today you will be watching a very unique breed of cattle known for their rugged characteristics, longevity, as well as being wonderful mothers. Highlands have the ability to produce the type of beef that is in demand for today's market in an efficient manner with respect to the rising cost of inputs. The beef is lean, but well-marbled and flavorful with little outside fat waste (they develop little back fat as their double coat serves to keep them warm). Highlands are the beef animal of choice by the British Royal Family who keeps a large herd of Highlands at Balmoral Castle in Scotland.

Our show today is an American Highland Cattle Association (AHCA) sanctioned super point show (double points). All sanctioned shows must abide by the same rules and class divisions established by the American Highland Cattle Association. The animals must be purebred Highlands, unaltered (they must have their horns) and be registered with the American Highland Cattle Association. Placement in each class earns points for the animal for each show in which they participate. These points are tallied by AHCA at the end of the show season, and awards presented to the top animals at the annual membership meeting held each year.

Please feel free to visit with any of our exhibitors to learn more about the breed or to ask any questions that you may have. If you are interested in purchasing cattle, many of the exhibitors may have animals for sale. All sales would be private treaty, made solely between the buyer and seller, and would have no connection to the North Central Highland Cattle Regional Show.

Please visit our North Central Highland Cattle Association display to pick up our member contact list and basic Highland information. Don't forget your 2023 Highland Calendar for yourself and pick a few up for gifts. They are available for \$20 each at the show (\$25 if they are shipped to you).

We are glad to have you at our show and hope a good day will be enjoyed by all! Thank you for coming and hope to see you at our show next year!

Show Judges:

Theresa Claeys – Junior and Showmanship Judge

Minnesota Native, Theresa Claeys, soon to be St. Germain, is passionate about the youth and livestock. A Graduate of South Dakota State University where she was a member of the Livestock Judging team, currently resides in Winnebago. She works for Merck Animal Health and raises 130 head of Simmental, Foundation Simmental and Hereford cattle alongside Fiancé, Adam, with St. Germain Simmentals as well as her Father, Roger, Roger Claeys Family Simmentals. The operations' focus is on raising high quality cattle that will perform efficiently and functionally first, and market the females and bulls who that have the extra bells and whistles required to hit the show ring. Those cattle are marketed on an annual online sale in the fall through SC Online Sales, The Secret Simmental Sale, as well as many consignment sales such as the Minnesota State Sale, South Dakota Source, The Royal Classic, and the Sioux Empire Farm Show. Showing cattle has been a passion since she was 10, exhibiting cattle and being involved competitively across the country through the American Junior Simmental Association, 4-H and FFA as well as majors including the National Western Stock Show and the American Royal. Giving back to the industry which provided so many opportunities include serving as a Coordinator for the Minnesota Junior Livestock Expo (MYLE) , a show specifically focused on giving back to the youth which involves 1400+ entries and serves as a board of directors for the Minnesota Simmental Association. Anytime she has left in her schedule, she can be found in the pasture checking cows with her 3, four legged children, or laughing with friends, family, and her show cow family any chance she can.

Jacob Larson – Open Show Judge

Jacob Larson has been a connoisseur of quality cattle for about as long as he can remember. His love of the Highland breed began in the early 1990s with the purchase of his first Highland heifer when he was 8 years old.

He spent his teens and twenties studying the highland breed in great depth and showed his cattle and those of many other farms with much success locally and nationally.

After earning an animal science degree from Washington state university Jacob took an internship with a large Highland beef and breeding stock producer in northern England where he became familiar with the management of that herd of 300

Highlands. During that time he travel extensively throughout Scotland and England showing cattle and visiting famous Highland Folds.

Upon returning to the US he began working on some of the big angus ranches in Montana where he gained practical, hands-on experience with cattle business.

He has also managed 400 head of highland cattle for beef production in California.

In recent years Jacob has begun judging and working as a Highland cattle consultant.

As the Judge of this show he is honored to select the cattle that he esteems as the best representatives of our Grand Old Breed.
